OUR TEAM IDEAS

Reduction in collection costs

IoT solution uses the data & selects routes for

waste collection trucks, leads to pickup which

doesn't consider empty trash bins.

Data analytics can help assess trends to better plan

Transparency on waste situation

Increased efficiency over time

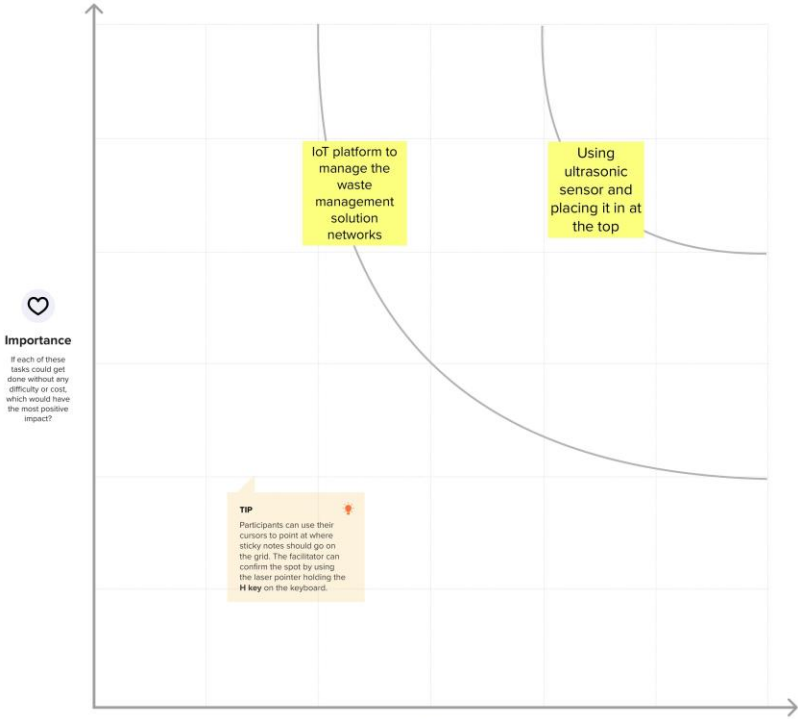

TIP
Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

Importance

If each of these tasks could get done without any difficulty or cost, which would have the most positive impact?

Feasibility

Regardless of their importance, which tasks are more feasible than others? (Cost, time, effort, complexity, etc.)
