

Creation of IBM CLOUD SERVICES

SCREENSHOT OF CLOUD ACCOUNT CREATION:

The screenshot displays the IBM Cloud user interface for an 'IOT PROJECT'. The top navigation bar includes the IBM Cloud logo, a search bar, and links to 'Catalog', 'Manage', and the user's account 'Tamil Selvan R's Account'. The main content area features a large graphic of a central square with four rounded corners and a circle in the center, surrounded by various IoT-related icons. To the right of this graphic, the text 'Let's get started with IBM Watson IoT Platform' is displayed, followed by a description: 'Securely connect, control, and manage devices. Quickly build IoT applications that analyze data from the physical world.' Below this text are two buttons: 'Launch' and 'Docs'. A progress bar titled 'IBM Watson IoT Platform Journey' shows three stages: 'Lite' (completed), 'Non-Production', and 'Production'. The 'Lite' stage is marked with a checkmark and a description: 'The Lite service plan provides a lightweight development environment to get you started'. The 'Non-Production' stage is marked with a circle and a description: 'The Non-Production service plan is a full-featured, fully-integrated offering that enables'. The 'Production' stage is marked with a circle and a description: 'The Production service is a fully managed SaaS offering that enables you to manage and analyze'. The bottom of the screenshot shows the Windows taskbar with the search bar and several application icons.
